Report of Principal and School Improvement Council

The mission of St. Andrews Middle School, where learning is the chief priority and focus of all decisions, is to provide and promote opportunities for all stakeholders to contribute to the success and development of a community of life-long learners. We believe that all teachers, administrators, parents, and community members share the responsibility for advancing this mission. We continue to follow our annual School Renewal Plan, the Richland District One Strategic Plan, and address the action steps of our Making Middle Grades Work Program Goals in an effort to increase student achievement.

Academic and extra-curricular accomplishments of our students included thirty Duke Tip qualifiers, two Duke Tip State Qualifiers, twenty Middle School Scholars, and one S.C. Junior Scholar. Fine Arts awards included: three District Honor Band, six District Honor Orchestra, two District Honor Dance and eight District Honor Chorus recipients. Athletic programs include volleyball, football, boys' and girls' basketball, wrestling, track, baseball, softball, cheerleading, and an award winning step-team.

St. Andrews parents and business partners provide continuous support for our students and academic programs. The University of South Carolina partners with us to provide Middle Level teaching and guidance interns, GK-12 Fellows to our math and science classes, the USC Talent Search program. Colonial Life Supplemental Insurance Company provides numerous student-centered activities. These include: Ravenous Readers, Story Tellers, Lunch Buddies, Junior Achievement, Student Book Club, guest speakers, cultural events, classroom volunteers and they also provide parent workshops and programs. Several faith-based partners provide mentors, after-school activities, and summer programs for students in our community.

The 2010 PASS scores, MAP data, and Common Assessment results serve as baseline data from which needs have been identified and strategies developed to address those needs. Total school data showed 62.8% student mastery in Math, 57.3% student mastery in English Language Arts, 56% student mastery in Social Studies, 49.5% student mastery in Science and 59% student mastery in Writing. St. Andrews Middle is proud to have a 100% student passage rate on the South Carolina End of Course Algebra I exam for the second consecutive year. Our academic goals for the year are to increase scores on the PASS in each of the following areas: 10 percentage points in ELA and Writing, 5 percentage points in Math, 10 percentage points in Science, and 10 percentage points in Social Studies. Another goal for the year is to increase parental participation and business partnerships. We will continue to implement programs and strategies which will increase student achievement in all academic areas. A schoolwide focus on standards-based instruction and assessment, Classroom Walk-Throughs, All-Day Writes, remediation and enrichment programs, Vertical Team Articulation, and data analysis at the classroom level and schoolwide will be utilized to facilitate student learning and foster academic success for all of our students. We appreciate the continued support provided by our parents, business and faith-based partners, and all of the St. Andrews community as we strive to educate the leaders of tomorrow.
